Projects

WEB DEVELOPMENT

PERSONAL PORTFOLIO

2026 - Active

- Built a fully responsive personal portfolio using HTML, CSS, and JavaScript to present projects and technical skills. Focused on clean code structure, reusable components, and cross-device compatibility.

WEB DEVELOPMENT

WONDERLUST

In Progress

- Developed a full-featured web application where users can upload listings, search and book their favorite destinations, post reviews, and edit their own listings. Implemented user authentication, CRUD operations, and dynamic data handling for a seamless user experience.

WEB DEVELOPMENT

RESTAURANT MANAGING SITE

In Progress

- Developed a responsive restaurant website featuring an interactive menu, modern UI design, and smooth navigation. Focused on visual hierarchy, theme switching, and optimized user experience across devices.

Education

Completed 12th

council of Higher Secondary Education Manipur

Currently

2026

Prepering for Entrance exam for engineering college
